

CITY OF THE FUTURE WITH STEM - Student Pre-test, January 2024

Dear students.

This is the student pre-test for the etwinning project: "CITY OF THE FUTURE WITH STEM".

It contains the questions you have to answer in order to evaluate what you knew about the issues of the project **before the project**.

All questions must be answered.

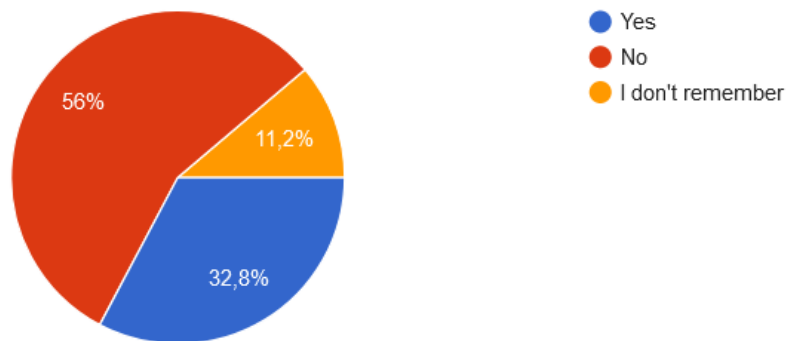

Thank you.

Your teachers. 😊😊😊

A total of 116 students answered the questions.
